**General Assessment Information**

To complete the unit, students are required to complete the placement hours as agreed with their host organisation as well as the assessment tasks for the unit. Detailed instructions for each assessment task are available on iLearn. The instructions include information about content, submission methods, due dates and marking guides or rubrics. All assessment tasks must be submitted via links on iLearn.

Unless an application for **Special Consideration** has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of ‘0’ will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

At the end of the placement/internship, some students' host organisations may require them to present to their team, a broader team or a leadership group. The unit content is designed to prepare students for this possibility. This unit is a Professional Practice/Co-op unit with Fitness to Practice requirements. For more information about the performance expectations, see the policies and procedures section below.
