## General Assessment Information

### Late Assessment Submission Penalty

Unless a Special Consideration request has been submitted and approved, a **5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted**, up until the 7th day (including weekends). After the 7th day, a mark of '0' (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue. This late penalty will apply to written reports and recordings only. Late submission of time-sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs **will be addressed by the unit convenor in a Special consideration application**.

To be very clear:

- Unless you have applied for special consideration and had your application approved, for each day your assignment is late, 5 marks will be deducted. For example, if you submit your assignment 7 days late, 35 marks will be deducted.
- If your assignment is more than 7 days late (including weekends), you will get 0 marks for your assignment.

These are serious penalties that will substantially alter your final grade and even determine whether you pass or fail this unit. Please make every effort to submit your assignment by the due date.

If you find you cannot submit your assignment on time, please apply for Special Consideration through AskMQ. Make sure you read Macquarie University's policy regarding Special Consideration requests before you apply: [https://students.mq.edu.au/study/assessment-exams/special-consideration](https://students.mq.edu.au/study/assessment-exams/special-consideration)

- interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party.
- produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options.
