Unit description

This unit provides students with an introduction to business research tools. It presents the foundations of quantitative research and develops the students' ability to evaluate a range of quantitative methods and to apply business research methods, tools and techniques.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Critically assess and interpret the foundational theories underlying quantitative approaches and analyses within the context of business disciplines.

ULO2: Evaluate a range of quantitative techniques to design appropriate and effective research methodologies for addressing specific research objectives.

ULO3: Apply business research methods, tools and techniques to analyse and interpret data and effectively communicate the findings.

General Assessment Information

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for Special Consideration.
