Unit description
This unit discusses and analyses the accounting issues that pertain to the corporate form of organisation operating in the private sector. It includes an examination of the framework for regulating corporate financial reporting in Australia, as well as an in-depth study of the requirements for the preparation of financial statements for a group of companies operating under common control. This unit evaluates the application and basis of selected accounting standards that relates to investment in entities, which includes consolidation, equity accounting and joint arrangement. Case studies are used to illustrate the application of accounting standards in the real-world setting. Students are expected to analyse and integrate conceptual and technical corporate accounting knowledge.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Evaluate the application and basis of selected accounting standards and apply accounting standards including the Conceptual Framework in the preparation of company financial statements

ULO2: Analyse and integrate conceptual and technical corporate accounting knowledge to report formation of organisations
ULO3: Use a visual analytics software to explore and gain insight(s) into a company’s financial and non-financial performance

ULO4: Effectively communicate within a group and to an intended audience

General Assessment Information

Late Assessment Submission Penalty (written assessments) Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of ‘0’ will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern. For any late submissions of timesensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for Special Consideration.
