Co-badged status
Unit description This unit focuses on innovative approaches to finding, reporting, producing and interacting with media stories through basic data analysis and data visualization. Students will critically analyse and gain practical experience in finding data-sets, using data-driven reporting techniques and producing effective and informative visualisations. The unit also covers user experience, interactivity and the rhetorical use of big and small data in media practice.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: analyse the practice of data journalism, its products (including visualizations and interactive reporting) and its history.

ULO2: demonstrate an advanced knowledge of how to gather, analyse and interpret data as a journalist and within collaborative contexts

ULO3: apply advanced reporting and storytelling techniques to find and produce stories that inform, educate and entertain.

ULO4: evaluate and analyse new literacies in journalism.

ULO5: situate the focus on data and visualization within debates about journalism and its social function.

General Assessment Information

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day an assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of, 0 (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue.

This late penalty will apply to all assessments (e.g., essays, reports, posters, portfolios, journals, recordings etc). Late submission of time sensitive tasks (such as tests/exams, quizzes, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new task. These are serious penalties that will substantially alter your final grade and even determine whether you pass or fail this unit. Please make every effort to submit your assignment by the due date.

If you find you cannot submit your assignment on time, please apply for Special Consideration through AskMQ. Make sure you read Macquarie University's policy regarding Special Consideration requests before you apply: <https://students.mq.edu.au/study/assessment-exams/special-consideration>
