Unit description

Business Strategy develops your capacity to think strategically about an organisation, its macro environment, industry, and competitive position. Through a blend of theoretical frameworks and their practical applications, you will develop individual and team skills for conducting strategic analyses across diverse industry contexts. You will learn how industry dynamics and environmental change affect organisations and how to act strategically to create a fit that sets your organisation apart from others. While you will discover a range of strategic models and tools, ultimately, the unit aims to develop a strategic mindset based on understanding organisations, their stakeholders and broader environments from various perspectives.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Demonstrate an applied knowledge of the perspectives, concepts and tools of business strategy through application to a variety of organisational contexts.

ULO2: Individually and in teams apply the concepts and tools of business strategy to undertake the sustainable development and evaluation of strategy in a variety of organisational contexts.

ULO3: Recommend and communicate an optimal strategic direction and its

implementation in a variety of organisational contexts.

ULO4: Analyse and integrate environmental, social, and governance factors, and principles of responsible leadership, in the development and implementation of strategy.

General Assessment Information

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to apply for Special Consideration.
