Unit description

Business today is increasingly confronted with the need to participate in and manage a real-time digital environment. Marketers are expected to adopt digital mindsets and be fluent with digital business strategies. Such understanding and skills help them to take advantage of digital technologies to gain a competitive advantage. This unit develops students' knowledge and skills in digital marketing. The unit focuses on the key concepts and frameworks used in digital marketing strategy, implementation and practice. Attention is given to the use of contemporary digital marketing applications in value creation, customer acquisition, customer retention and development.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Critically apply the theories and concepts underpinning digital marketing.

ULO2: Critically analyse and evaluate the digital marketing strategies of a business

ULO3: Design digital marketing strategies to launch and grow a digital business and communicate the strategies in a professional manner to the audience, individually and in

collaboration

General Assessment Information

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to apply for [Special Consideration](#).

Assessment Tasks

Name	Weighting	Hurdle	Due
Practice-Based Tasks	45%	No	Week 2 to 13
Competitive Analysis Report	30%	No	11/04/2025
Digital Marketing Project	25%	No	Week-13

Practice-Based Tasks

Assessment Type ¹: Practice-based task

Indicative Time on Task ²: 30 hours

Due: **Week 2 to 13**

Weighting: **45%**

Multiple practice-based assessment tasks will be given throughout the semester. Some of these are take-home tasks, others are to be completed during the tutorials.

On successful completion you will be able to:

- Critically apply the theories and concepts underpinning digital marketing.

Competitive Analysis Report

Assessment Type ¹: Report

Indicative Time on Task ²: 25 hours

Due: **11/04/2025**

Weighting: **30%**

This is an individual assessment wherein students must complete a written competitive analysis report (2,000 words). Students' in-depth understanding of the competitive landscape will inform their digital marketing strategies in the group project.

On successful completion you will be able to:

- Critically analyse and evaluate the digital marketing strategies of a business

Digital Marketing Project

Assessment Type ¹: Project

Indicative Time on Task ²: 20 hours

Due: **Week-13**

Weighting: **25%**

The project is designed to provide students with insights into how marketing technologies, tools, and applications can be used to develop digital marketing strategy. Working in groups, students will design digital marketing strategies to support the launch of a new digital business and communicate the strategies in a professional manner to the audience.

On successful completion you will be able to:

- Design digital marketing strategies to launch and grow a digital business and communicate the strategies in a professional manner to the audience, individually and in collaboration

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

Delivery Format

The unit is delivered in a combination of **weekly pre-recorded lectures** that students must watch, prior to a **1.5 hour weekly tutorial**. Students are also expected to attend **four in-person**,

on-campus industry guest lectures. Please refer to [iLearn](#) for further details.

Students are expected to be active and engaged learners, contributing fully to the learning activities.

Technology Needs Students are expected to bring their own laptops to the weekly tutorials. The use of a laptop with internet is required to access iLearn for course materials, to complete learning activities, and to submit completed tasks during tutorials. If you need a laptop you may be eligible to apply for a MQ laptop loan via this link: <https://students.mq.edu.au/uni-life/community/diversity-inclusion/digital-inclusion/computer-loan-scheme>

Software required e.g., Word processing, PowerPoint, video/media player, Zoom, Acrobat Reader, Internet Browser.
