General Assessment Information

After the 7th day, a mark of '0' (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue. This late penalty will apply to written reports and recordings only. **Late submission of time-sensitive tasks** (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs **will be addressed by the unit convenor in a Special consideration application**.

To be very clear:

- If your assignment is more than 7 days late (including weekends), you will get 0 marks for your assignment.

These are serious penalties that will substantially alter your final grade and even determine whether you pass or fail this unit. Please make every effort to submit your assignment by the due date.

Common European Framework of Reference (CEFR)

This unit provides advanced learners with the opportunity to work towards language skills at level B2, the fourth level on the six-level scale of competence laid down in the Common European Framework of Reference for Languages (CEFR). Through engagement with the Croatian language in a range of contexts, the unit invites you to develop the ability to

- understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in their field of specialization.
- interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party.
- produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options.
