Unit description

This unit provides a hands-on introduction to the design and development of video games. Throughout the unit, students will learn to design meaningful player experiences through the application of game design theory and practice. Students will also be introduced to the foundations of game development via the creation of a prototype game in a 3D game engine.

Learning in this unit enhances student understanding of global challenges identified by the United Nations Sustainable Development Goals ([UNSDGs](#)) Gender Equity; Reduced Inequality

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Demonstrate disciplinary knowledge of game design and development theories and practices.

**ULO2:** Communicate game design and development decisions in appropriate formats.

**ULO3:** Apply game design theory to analyse existing games.

**ULO4:** Apply game design principles and processes in the production of a simple game.

**ULO5:** Prototype a simple game within a 3D game engine.

## General Assessment Information

### Assessment Task Release Dates

- Design Journal – 9am Monday, each week
- Design Quiz – 9am Monday, April 7
- Game Prototype – 9am Monday, May 5

### Requirements to Pass this Unit

To pass this unit you must:

1. Achieve a total mark equal to or greater than 50%

### Late Assessment Submission Penalty

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark of the task) will be applied for each day a written report or presentation assessment is not submitted, up until the 7<sup>th</sup> day (including weekends). After the 7<sup>th</sup> day, a grade of '0' will be awarded even if the assessment is submitted. The submission time for all uploaded assessments is **11:55 pm**. A 1-hour grace period will be provided to students who experience a technical concern. For any late submission of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, please apply for [Special Consideration](#). For example, if the assignment is worth 8 marks (of the entire unit) and your submission is late by 19 hours (or 23 hours 59 minutes 59 seconds), 0.4 marks (5% of 8 marks) will be deducted. If your submission is late by 24 hours (or 47 hours 59 minutes 59 seconds), 0.8 marks (10% of 8 marks) will be deducted, and so on.

### Assessments where Late Submissions will be accepted

- Design Journal – NO, Late submissions will not be accepted
- Design Quiz – YES, Standard Late Penalty applies
- Game Prototype – YES, Standard Late Penalty applies

## Special Consideration

The [Special Consideration Policy](#) aims to support students who have been impacted by short-term circumstances or events that are serious, unavoidable and significantly disruptive, and which may affect their performance in assessment. If you experience circumstances or events that affect your ability to complete the assessments in this unit on time, please inform the convenor and submit a Special Consideration request through <http://connect.mq.edu.au/>.

## Assessment Tasks

Name	Weighting	Hurdle	Due
<a href="#">Design Journal</a>	20%	No	In the week 13 SGTA class
<a href="#">Design quiz</a>	30%	No	11:55 pm Sunday 27th April
<a href="#">Game prototype</a>	50%	No	11:55 pm Sunday 8th June

### Design Journal

Assessment Type [1](#): Portfolio

Indicative Time on Task [2](#): 12 hours

Due: **In the week 13 SGTA class**

Weighting: **20%**

A design journal demonstrating regular engagement with teaching materials throughout semester. Homework exercises will be included as part of SGTA and Practical classes. The student will select specific exercises to be graded at the end of semester.

On successful completion you will be able to:

- Demonstrate disciplinary knowledge of game design and development theories and practices.
- Communicate game design and development decisions in appropriate formats.
- Apply game design theory to analyse existing games.
- Apply game design principles and processes in the production of a simple game.

### Design quiz

Assessment Type [1](#): Quiz/Test

Indicative Time on Task [2](#): 20 hours

Due: **11:55 pm Sunday 27th April**

Weighting: **30%**

A take-home quiz addressing design topics including:

- Comprehension questions about regarding design theory covered in lectures and SGTAs
- An design analysis exercise, using the theoretical framework to analyse the design of a specific game.

On successful completion you will be able to:

- Demonstrate disciplinary knowledge of game design and development theories and practices.
- Communicate game design and development decisions in appropriate formats.
- Apply game design theory to analyse existing games.

## Game prototype

Assessment Type <sup>1</sup>: Creative work

Indicative Time on Task <sup>2</sup>: 40 hours

Due: **11:55 pm Sunday 8th June**

Weighting: **50%**

A playable prototype for a simple game developed in a 2D game engine, submitted together with a report detailing:

- the technical implementation of the game.
- the design principles employed in the prototype game.
- reflection on the outcomes of playtesting the game with fellow students.

On successful completion you will be able to:

- Communicate game design and development decisions in appropriate formats.
- Apply game design principles and processes in the production of a simple game.
- Prototype a simple game within a 3D game engine.

---

<sup>1</sup> If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

<sup>2</sup> Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

## Delivery and Resources

### Week1 classes

- Lectures will begin in week 1.
- Practicals will begin in week 2.
- SGTAs will begin in week 2.

### Methods of Communication

We will communicate with you via your university email and through announcements on iLearn. Queries to convenors can either be placed on the iLearn discussion board or sent to the unit convenor via the contact email on iLearn.

### Textbook & Readings

There is no assigned textbook for this unit. Reading materials will be recommended in lectures throughout session.

## Unit Schedule

Refer to the unit iLearn page.

## Policies and Procedures

Macquarie University policies and procedures are accessible from [Policy Central](https://policies.mq.edu.au) (<https://policies.mq.edu.au>). Students should be aware of the following policies in particular with regard to Learning and Teaching:

- [Academic Appeals Policy](#)
- [Academic Integrity Policy](#)
- [Academic Progression Policy](#)
- [Assessment Policy](#)
- [Fitness to Practice Procedure](#)
- [Assessment Procedure](#)
- [Complaints Resolution Procedure for Students and Members of the Public](#)
- [Special Consideration Policy](#)

Students seeking more policy resources can visit [Student Policies](https://students.mq.edu.au/support/study/policies) (<https://students.mq.edu.au/support/study/policies>). It is your one-stop-shop for the key policies you need to know about throughout your undergraduate student journey.

To find other policies relating to Teaching and Learning, visit [Policy Central](https://policies.mq.edu.au) (<https://policies.mq.edu.au>) and use the [search tool](#).

## Student Code of Conduct

Macquarie University students have a responsibility to be familiar with the Student Code of Conduct: <https://students.mq.edu.au/admin/other-resources/student-conduct>

## Results

Results published on platform other than [eStudent](#), (eg. iLearn, Coursera etc.) or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in [eStudent](#). For more information visit [connect.mq.edu.au](https://connect.mq.edu.au) or if you are a Global MBA student contact [globalmba.support@mq.edu.au](mailto:globalmba.support@mq.edu.au)

## Academic Integrity

At Macquarie, we believe [academic integrity](#) – honesty, respect, trust, responsibility, fairness and courage – is at the core of learning, teaching and research. We recognise that meeting the expectations required to complete your assessments can be challenging. So, we offer you a range of resources and services to help you reach your potential, including free [online writing and maths support](#), [academic skills development](#) and [wellbeing consultations](#).

## Student Support

Macquarie University provides a range of support services for students. For details, visit <http://students.mq.edu.au/support/>

## Academic Success

[Academic Success](#) provides resources to develop your English language proficiency, academic writing, and communication skills.

- [Workshops](#)
- [Chat with a WriteWISE peer writing leader](#)
- [Access StudyWISE](#)
- [Upload an assignment to Studiosity](#)
- [Complete the Academic Integrity Module](#)

The Library provides online and face to face support to help you find and use relevant information resources.

- [Subject and Research Guides](#)
- [Ask a Librarian](#)

## Student Services and Support

Macquarie University offers a range of [Student Support Services](#) including:

- [IT Support](#)
- [Accessibility and disability support](#) with study

- Mental health [support](#)
- [Safety support](#) to respond to bullying, harassment, sexual harassment and sexual assault
- [Social support including information about finances, tenancy and legal issues](#)
- [Student Advocacy](#) provides independent advice on MQ policies, procedures, and processes

## Student Enquiries

Got a question? Ask us via the [Service Connect Portal](#), or contact [Service Connect](#).

## IT Help

For help with University computer systems and technology, visit [http://www.mq.edu.au/about\\_us/offices\\_and\\_units/information\\_technology/help/](http://www.mq.edu.au/about_us/offices_and_units/information_technology/help/).

When using the University's IT, you must adhere to the [Acceptable Use of IT Resources Policy](#). The policy applies to all who connect to the MQ network including students.

## Changes from Previous Offering

This is a new unit offered for the first time in 2025.

We value student feedback to be able to continually improve the way we offer our units. As such we encourage students to provide constructive feedback via student surveys, to the teaching staff directly, or via the FSE Student Experience & Feedback link in the iLearn page.

## Changes since First Published

Date	Description
17/02/2025	Updated journal submission to Week 13 SGTA with no late submission. Updated pracs to start in week 2.

Unit information based on version 2025.03 of the [Handbook](#)
