Unit description

This unit focuses on the role of accounting and the accounting profession in society.

By exploring and discovering diverse accountability frameworks, students will learn to appreciate the role accounting plays. The unit aims to introduce basic accounting concepts and methods.

Students will be provided with an opportunity to discuss evolving means of information preparation, with an emphasis on understanding how such information assists users when making important business decisions. The role of accounting stewardship is explored, developing students' awareness of social, environmental and ethical concerns in an attempt to develop well rounded business professionals.

Students will develop skills in using accounting software currently used by businesses for reporting purposes. Students will also be given the opportunity to develop skills in resolving conflict and ethical dilemmas.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Examine the role of Accounting in a contemporary social context with a focus on business ethics and responsible management so as to develop skills in resolving conflict and ethical dilemma.

ULO2: Describe the business environment of the accounting profession.

ULO3: Develop competences in key technical aspects in accounting practice and be able to process and interpret basic accounting information.

ULO4: Evaluate the traditional aspects of accounting for business decision-making.

General Assessment Information

Late Submission of Assessments Penalty

Unless an application for Special Consideration has been submitted and approved, a **5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted**, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests, exams, performance assessments, and/or scheduled assessments students need to submit an application for Special Consideration. An application for Special Consideration does not guarantee approval. The approved extension date for a student becomes the new due date for that student.

The late submission penalties above then apply as of the new due date.
