Unit description

This unit is designed to develop the knowledge and skills required for effective problem solving and critical analysis in business project management. Students will gain an understanding of the nature and scope of leadership and technical capabilities needed for effective project management. The unit includes an analysis of: the definition, scoping and assessment of project feasibility; project planning and procurement; building a project team; delivery-time, cost and quality; project resource management; managing project risks; and project communications and marketing. These issues are critically examined through a combination of formal learning, group and individual project work, and interactive class-based activities.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Critically evaluate the effectiveness of project management techniques and how these are used in project teams for business problem solving.

ULO2: Analyse the effectiveness of progress monitoring techniques used to effectively manage project delivery.

ULO3: Demonstrate the application of business research skills to contemporary business issues and themes both as an individual and as a member of a team.

General Assessment Information

Late Assessment Submission Penalty (written assessments)

Unless a [Special Consideration](#) request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern. For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for [Special Consideration](#).
