Unit description

This unit extends fundamental knowledge of conducting an audit by examining and applying the relevant Auditing, Assurance and Ethics Standards to various scenarios. It is practical in nature with students required to apply the Standards to different scenarios using simulated case studies. Students will enhance their audit skills by applying them to other assurance engagements.

## Delivery and Resources

### Unit delivery and learning resources

Students are required to attend a weekly seminar/s (refer to the unit schedule). There are also online learning resources that students are required to engage with to complement the seminars. Seminars are interactive and are designed to facilitate further discussion of concepts covered in online learning resources and their application to practical cases. The timetable for classes can be found on the University website at: <http://www.timetables.mq.edu.au/> Changes to student timetables may only be made through eStudent.

### Required and Recommended Texts and/or Materials

Students must complete the required readings to successfully complete learning activities and assessments in this unit. All required readings are assessable. The subject is based on the International Auditing and Assurance Standards and other pronouncements. Australia-specific guidance is provided in the study guide where relevant. Where a question refers or requires students to provide a reference to a Standard, International Standards, Australian Standards or New Zealand standards can be used. Candidates are required to choose and apply one set of Standards throughout the subject - either International Standards or Australian Standards.

The Audit and Risk Study Guide e-book published by Chartered Accountants Australia and New Zealand is available for access via theVitalSource platform, and once purchased will sit with the CA ANZ digital bookshelf.

Relevant standards may be accessed via the following links:

[auasb.gov.au/standards-guidance/](http://auasb.gov.au/standards-guidance/)

[www.iaasb.org/standards-pronouncements](http://www.iaasb.org/standards-pronouncements)

[www.ethicsboard.org/standards-pronouncements](http://www.ethicsboard.org/standards-pronouncements)

Recommended Links to further recommended readings to extend student learning are provided via CA ANZ My Capability.

### Technology Used and Required

Students will need access to a personal computer and the internet to review and complete online learning activities and resources, as well as completing and make submissions for the assessment tasks in this Unit. Further information on any specific technology requirements will

be made available on the unit iLearn site. The unit iLearn can be found at: <http://iLearn.mq.edu.au>

You are strongly encouraged to regularly visit the website to check for important announcements and use it as a resource to enhance your learning experience.

What is required to complete this unit satisfactorily

Students are required to attempt all assessments, pass the final examination and pass the subject overall to complete this unit satisfactorily.
