Unit description

This unit describes and develops knowledge and skills in finance and accounting. Students will learn about financial institutions, financial markets, risk and regulation. They will explore the role of accounting and the accounting profession in business and society. Students will be provided with an opportunity to discuss evolving issues in and means of evaluating and presenting accounting and finance information. The key emphasis is on understanding how such information assists managers when making important business decisions.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Understand basic accounting and finance principles and concepts.

ULO2: Interpret key financial tools that are used in real world environments.

ULO3: Evaluate investment opportunities by applying financial analysis techniques.

ULO4: Develop financial decision making skills to optimise the performance of an

organisation.

General Assessment Information

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to apply for <u>Special Consideration</u>.

Assessment Tasks

Name	Weighting	Hurdle	Due
Professional practice: Investment opportunities	30%	No	09/05/2025
Skills development: Financial management	30%	No	30/05/2025

Due: **09/05/2025** Weighting: **30%**

The purpose of this assessment is for you to gain experience in producing a financial analysis in the form of a business report to key stakeholders.

You will work in teams to conduct an in-depth analysis of the business environment and financial performance of an ASX 200-listed company.

Skills in focus: - Discipline knowledge - Analytical skills - Problem solving and critical thinking - Communication skills

Deliverable: Written report [max. 2,500 group], presentation [10 minutes] Individual and group assessment

On successful completion you will be able to:

- Interpret key financial tools that are used in real world environments.
- Evaluate investment opportunities by applying financial analysis techniques.
- Develop financial decision making skills to optimise the performance of an organisation.

Skills development: Financial management

Assessment Type 1: Portfolio

Indicative Time on Task 2: 20 hours

Due: **30/05/2025** Weighting: **30%**

The purpose of this assessment is to build your expertise and skills in fundamental accounting and finance concepts, key financial tools, and financial decision making through investigating financial management scenarios.

You will engage with and reflect on weekly activities and problem sets and apply financial techniques to real-world cases.

Skills in focus: - Critical thinking - Discipline knowledge - Time management

Deliverable: Reflective report [max. 1,200 words excluding appendices with supporting evidence] Individual assessment

On successful completion you will be able to:

- Understand basic accounting and finance principles and concepts.
- Interpret key financial tools that are used in real world environments.
- Evaluate investment opportunities by applying financial analysis techniques.
- · Develop financial decision making skills to optimise the performance of an organisation.

Formal and observed learning: Exam

Assessment Type 1: Examination Indicative Time on Task 2: 40 hours

Due: University Exam Period

Weighting: 40%

The purpose of this assessment is for you to formally demonstrate the expertise you have gained in this unit.

You will participate in a 2-hour exam held during the University Examination period. Important information about the exam will be made available on the unit iLearn page. You should also review the MQ Exams website for general tips.

Deliverable: Formal exam Individual assessment

On successful completion you will be able to:

- Understand basic accounting and finance principles and concepts.
- Interpret key financial tools that are used in real world environments.
- Evaluate investment opportunities by applying financial analysis techniques.
- Develop financial decision making skills to optimise the performance of an organisation.
- ¹ If you need help with your assignment, please contact:
 - the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
 - the Writing Centre for academic skills support.
