Unit description

Can various experiences, practices and perspectives of a culture tell us something unique about that culture? This project-based unit seeks to promote a nuanced and sophisticated understanding of, and engagement with, lived experiences in the broad context of the intersection of language, culture and society. It focuses on helping students enhance their appreciation of aspects of intercultural life and practices as well as sites of meaning in a culturally and linguistically specific environment. Through a semi-guided project, students will be encouraged to explore one aspect of intercultural life in the Australian context by collecting and analysing community-relevant factual data.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Design and conduct a project-based activity in an intercultural context within and outside the university environment.

ULO2: Collate, analyse and evaluate data collected during intercultural encounters.

ULO3: Communicate a targeted aspect of language specific cultural life to peers,

teachers and the public using written, oral and/or digital media in a nuanced and sophisticated manner.

ULO4: Identify ways in which society and culture interact and locally manifest in the Australian context.

ULO5: Demonstrate extensive library and information retrieval skills relevant to the nominated project.

ULO6: Demonstrate proficiency in self-organisation and effective project management.

General Assessment Information

All text-based assessment tasks are to be submitted, marked and returned electronically. This will only happen through the unit iLearn site.

Assessment tasks must be submitted as a MS word document by the due date.

Most assessment tasks will be subject to a 'Turnitin' review as an automatic part of the submission process.

The granting of extensions is subject to the university's Special Consideration Policy. Extensions will not be granted by unit conveners or tutors, but must be lodged through Special Consideration: <https://students.mq.edu.au/study/my-study-program/special-consideration>

LATE SUBMISSION OF ASSESSMENT TASKS

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of '0' (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue. This late penalty will apply to non-timed sensitive assessment (including essays, reports, posters, portfolios, journals, recordings etc). Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new question or topic. The granting of extensions is subject to the university's Special Consideration Policy. Extensions will not be granted by unit conveners or tutors, but must be lodged through Special Consideration: <https://students.mq.edu.au/study/assessment-exams/special-consideration>

Delivery and Resources

UNIT REQUIREMENTS AND EXPECTATIONS

You should spend an average of 12 hours per week on this unit. This includes listening to lectures prior to seminar or tutorial, reading weekly required materials as detailed in iLearn, participating in iLearn discussion forums and preparing assessments.

Students are expected to attend all seminar sessions.

In most cases students are required to attempt and submit all major assessment tasks in order to pass the unit.

REQUIRED READINGS

The citations for all the required readings for this unit are available to enrolled students through the unit iLearn site, and at Macquarie University's library site. Electronic copies of required readings may be accessed through the library or will be made available by other means.

TECHNOLOGY USED AND REQUIRED

Computer and internet access are essential for this unit. Basic computer skills and skills in word processing are also a requirement.

This unit has an online presence. Login is via: <https://ilearn.mq.edu.au/>

Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.

Information about IT used at Macquarie University is available at http://students.mq.edu.au/it_services/

Unit Schedule

The unit schedule is provided in INTS 3015 iLearn.

Unit Focus: Cultural Placemaking & Local Festivals

Delivery Mode: 3 Online Seminars, 3 Individual Consultations, plus Offline Activities & Guided Independent Study.

Note: This schedule is designed as a flexible roadmap to guide your personal research journey throughout the session.
