Unit description In this unit, students will acquire essential skills in managing people and work. Students will also develop skills in creating an adaptive mindset, effective communication and teamwork. The curriculum comprises four fundamental management functions of Planning, Organizing, Team Management and Controlling. Content covered includes team leadership and management, decision-making, change management and globalisation. Management concepts are taught using authentic practical examples that examine management both as a function and as a practice.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

- ULO1:** Describe management theories and concepts to business operations.
- ULO2:** Analyse management challenges, problems and issues, and construct practical solutions.
- ULO3:** Apply organisational and management practices.

General Assessment Information

Late Submission Penalties

If you submit your assessment late, 5% of the total possible marks will be deducted for each day (including weekends), up to 7 days. Submissions more than 7 days late will receive a mark of 0.

Example 1 (out of 100): If you score 85/100 but submit 20 hours late, you will lose 5 marks and receive 80/100. Example 2 (out of 30): If you score 27/30 but submit 20 hours late, you will lose 1.5 marks and receive 25.5/30.

Extensions Automatic short extension: Some assessments are eligible for automatic short extension. You can only apply for an automatic short extension before the due date.

Special Consideration: If you need more time due to serious issues and for any assessments that are not eligible for Short Extension, you must apply for Special Consideration.

Need help? Review the Special Consideration page for further details.
