Unit description

A community of practice will support students to engage in collaborative dialogue, share insights, and reflect on diverse perspectives in educational leadership. Combining communities of practice with persistent challenges the unit will tackle complex challenges by leveraging collective knowledge and diverse perspectives. Through workshops, guided readings and peer collaboration students will be supported to develop a research-informed project. The combined project plan and report may serve as the basis for a Master of Research thesis, allowing early planning and preparation for this degree, or it may propose an independent but equivalent-length project.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Critically analyse contemporary issues, pedagogies, and policies using a range of theoretical and research-informed perspectives. in education leadership.

ULO2: Design and implement a research-informed inquiry project that addresses a complex or persistent challenges relevant to education leadership.

ULO3: Apply ethical and inclusive approaches to professional inquiry, demonstrating responsiveness to the rights and voices of stakeholders in education.

ULO4: Collaborate effectively within a community of practice to exchange insights, refine ideas, and construct shared understandings of professional challenges in education leadership.

ULO5: Communicate the outcomes of professional inquiry through clear, well-structured, and critically reflective documentation suited to scholarly and practitioner audiences in education leadership.

General Assessment Information

General Submission Information

All written assessments must be submitted electronically. Please format assessments using 12-point font and 1.5 spacing. Submissions must meet the required file type and formatting specifications outlined in the assessment guidelines. If you are unsure about the file format or have technical difficulties, it is your responsibility to seek assistance before the submission deadline. Students should be careful to check that they submit the correct file for an assessment as no re-submissions will be accepted after the due date and time, including instances where students upload an incorrect file. It is not the responsibility of unit staff to contact students who have failed to submit assessments. If you have any missing items of assessment, it is your responsibility to contact the unit convenor.

Turnitin plagiarism detection software is used to check all written assessments. It is the responsibility of all students to ensure that their submitted work is in a format compatible with Turnitin software for plagiarism checking. Students can use Turnitin's Originality Report as a learning tool to improve their academic writing if this option is made available in the unit.

Word limits are strictly applied, with + or – 10% applicable. Work above the word limit will not be marked.

Academic Integrity

Students should be aware of and apply the University policy on academic integrity (see: <https://policies.mq.edu.au/document/view.php?id=3>).

Special Consideration / Late Penalties

Unless a Special Consideration request has been submitted and approved, **a 5% penalty (of the total possible mark) will be applied each day to late submissions, up until the 7th calendar day (including weekends). After the 7th day, a mark of '0' (zero) will be awarded even if the assessment is submitted.** Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue.

Important to note:

Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs) will be addressed by the unit convenor in a Special consideration application.

Students should not request an informal arrangement from their tutor, lecturer or Unit Convenor (or equivalent).

Where an application for Special Consideration is approved and the outcome is an extension to the due date of a task, submissions that are received after the new due date will be subject to late penalties that are calculated from the new due date. This only applies where the outcome is an extension to the due date – see the [Special Consideration Policy](#) for a schedule of all possible outcomes.

A Special Consideration outcome may result in a new question or topic.

Applications must be made via [Service Connect](#).

University Policy on Grading

Assignments will be awarded grades ranging from HD to F according to guidelines set out in the [University's Grading System](#) and [University Assessment Policy](#).

To attain a pass or higher grade in Professional Experience a student must obtain a satisfactory in both the Professional Experience component and a pass or higher grade in the academic component. For Professional Experience units the Professional Experience Evaluation Report is marked as Satisfactory or Unsatisfactory. The Macquarie Teaching Performance Assessment (MQTPA - in final WIL/PEX units) is marked as Not met, Met or Exceeds.

Results

Results shown in iLearn, or released directly by your Unit Convenor, are not confirmed because they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in [eStudent](#). For more information visit [Service Connect](#).

Unit Acknowledgement of Country

The Macquarie School of Education recognises the Darug people as the traditional custodians of the land upon which we learn and teach. In particular, we would like to acknowledge the Wallumattagal clan of the Darug Nation, the traditional custodians of this land, whose cultures and customs have nurtured and continue to nurture the land on which we are meeting and learning. Their interaction with the land over such a long time suggests there is much we can learn from them about sustainability and respect for the environment.

The local totem of the Wallumattagal clan is Wallumai, a black snapper fish that has been described this way: "shy but clever fish, who uses the shadows and patterns created by the mangroves to protect the younger fish. The mangroves are their nursery, their school and their home. The mangroves represent life – the obstacles and tangles that we need to navigate. Once we learn the right path to take, we are safe in that knowledge and in our lives"¹.
