Unit description
This unit is designed for those who are interested in specialising as early childhood leaders and managers. This unit enables the critical appraisal of the structural features of early childhood organisations in Australia. It involves the analysis of the socio-political contexts and structural forces influencing the management and leadership of early childhood organisations. As well as enabling students to deepen their understanding of governance, legislative and accountability requirements, this unit provides opportunities to research and explore in depth the challenges encountered by contemporary early childhood managers and leaders.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://students.mq.edu.au/important-dates
