Unit description
In this unit literary or topical extracts are used for translation mainly from Greek into English, with a strong emphasis on idioms, syntax and grammar, which present problems for the translator. Assessment is based on regular assignments and an examination.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

- To hear, speak, read and write modern Greek language in a variety of registers.
- To read, listen to, comprehend and discuss a variety of Greek texts.
- To attain a good level of spoken and written Greek through practice in class and completion of exercises and assignments.
- To revise grammatical structures previously studied and learn new structures essential to oral and written fluency and accuracy.
- To understand and gain proficiency in the mechanics of writing Greek.
- To gain an appreciation of the Greek culture through textual (including literature) and aural material introduced in the class resources and discussed in class as well as online.
Assessment Tasks

<tr>
<td><strong>Third test</strong></td>
<td>25%</td>
<td>Week 9</td>
</tr>
<tr>
<td><strong>Final test</strong></td>
<td>40%</td>
<td>Exam Period</td>
</tr>
</tbody>
</table>

**First test**

**Due:** Week 3  
**Weighting:** 15%

In this first test on theoretical framework of translation, students are going to be tested as to their understanding of the basic principles of translating and Interpreting. The test will designed to give the opportunity to students to develop their deeper understanding and answer the given pedagogically constructed questions. Students will be given instructions prior to these tests.

On successful completion you will be able to:

- To hear, speak, read and write modern Greek language in a variety of registers.
- To read, listen to, comprehend and discuss a variety of Greek texts.
- To revise grammatical structures previously studied and learn new structures essential to oral and written fluency and accuracy.
- To understand and gain proficiency in the mechanics of writing Greek.

**Second test**

**Due:** Week 6  
**Weighting:** 20%

Students will be given the opportunity to test themselves in the process of translating from English into Greek; exploring the theory and putting it into practice; using texts that anticipate real circumstances. They would translate, for example, a pamphlet from the local council in order to enlighten their grandparents.

On successful completion you will be able to:

- To hear, speak, read and write modern Greek language in a variety of registers.
- To attain a good level of spoken and written Greek through practice in class and completion of exercises and assignments.
- To revise grammatical structures previously studied and learn new structures essential to
oral and written fluency and accuracy.

• To gain an appreciation of the Greek culture through textual (including literature) and aural material introduced in the class resources and discussed in class as well as online.

Third test
Due: Week 9
Weighting: 25%

Students will be given two texts in different thematic content. One will be translated from Greek into English and the other from English into Greek. Both texts will be themes that have been discussed in class.

On successful completion you will be able to:

• To hear, speak, read and write modern Greek language in a variety of registers.
• To attain a good level of spoken and written Greek through practice in class and completion of exercises and assignments.
• To understand and gain proficiency in the mechanics of writing Greek.
• To gain an appreciation of the Greek culture through textual (including literature) and aural material introduced in the class resources and discussed in class as well as online.

Final test
Due: Exam Period
Weighting: 40%

Students have to test themselves in a summative manner. There will be included questions from theoretical and practical content. Students will be asked to translate three different texts, from English to Greek and from Greek to English. They have to answer a few questions and argue the process of translating according to their experience from the unit.

On successful completion you will be able to:

• To hear, speak, read and write modern Greek language in a variety of registers.
• To read, listen to, comprehend and discuss a variety of Greek texts.
• To attain a good level of spoken and written Greek through practice in class and completion of exercises and assignments.
• To understand and gain proficiency in the mechanics of writing Greek.
• To gain an appreciation of the Greek culture through textual (including literature) and aural material introduced in the class resources and discussed in class as well as online.

REQUIRED AND RECOMMENDED TEXTS AND/OR MATERIALS

Also, a variety of literary or other thematic texts will be provided in class. The same material will be provided to the external students.

It is highly recommended that students purchase a dictionary and use it all the time. You will be able to purchase one from the Macquarie University Co-Op Book shop, the ENGLISH-GREEK and GREEK-ENGLISH, Oxford University Press, Oxford.

Also recommended are:

UNIT WEBPAGE AND TECHNOLOGY USED AND REQUIRED

Online Unit

Login is via: [https://ilearn.mq.edu.au/](https://ilearn.mq.edu.au/)

Is my unit in iLearn?: [http://help.ilearn.mq.edu.au/unitonline/](http://help.ilearn.mq.edu.au/unitonline/) to check when your online unit will become available.

Technology

Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.
Unit Schedule

Please refer to your online unit for the unit schedule - ilearn.mq.edu.au

Policies and Procedures

Macquarie University policies and procedures are accessible from Policy Central. Students should be aware of the following policies in particular with regard to Learning and Teaching:

Academic Honesty Policy  http://mq.edu.au/policy/docs/academic_honesty/policy.html

Disruption to Studies Policy  http://www.mq.edu.au/policy/docs/disruption_studies/policy.html The Disruption to Studies Policy is effective from March 3 2014 and replaces the Special Consideration Policy.

In addition, a number of other policies can be found in the Learning and Teaching Category of Policy Central.

Student Code of Conduct

Macquarie University students have a responsibility to be familiar with the Student Code of Conduct:  https://students.mq.edu.au/support/student_conduct/

Results

Results shown in iLearn, or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in eStudent. For more information visit ask.mq.edu.au.

Student Support

Macquarie University provides a range of support services for students. For details, visit  http://students.mq.edu.au/support/
Graduate Capabilities

Creative and Innovative

Our graduates will also be capable of creative thinking and of creating knowledge. They will be imaginative and open to experience and capable of innovation at work and in the community. We want them to be engaged in applying their critical, creative thinking.

This graduate capability is supported by:

Learning outcome

• To hear, speak, read and write modern Greek language in a variety of registers.

Assessment tasks

• First test
• Second test
• Third test
• Final test
Capable of Professional and Personal Judgement and Initiative

We want our graduates to have emotional intelligence and sound interpersonal skills and to demonstrate discernment and common sense in their professional and personal judgement. They will exercise initiative as needed. They will be capable of risk assessment, and be able to handle ambiguity and complexity, enabling them to be adaptable in diverse and changing environments.

This graduate capability is supported by:

**Learning outcome**
- To understand and gain proficiency in the mechanics of writing Greek.

**Assessment tasks**
- First test
- Third test
- Final test

Commitment to Continuous Learning

Our graduates will have enquiring minds and a literate curiosity which will lead them to pursue knowledge for its own sake. They will continue to pursue learning in their careers and as they participate in the world. They will be capable of reflecting on their experiences and relationships with others and the environment, learning from them, and growing - personally, professionally and socially.

This graduate capability is supported by:

**Learning outcomes**
- To read, listen to, comprehend and discuss a variety of Greek texts.
- To attain a good level of spoken and written Greek through practice in class and completion of exercises and assignments.
- To revise grammatical structures previously studied and learn new structures essential to oral and written fluency and accuracy.
- To understand and gain proficiency in the mechanics of writing Greek.

**Assessment tasks**
- First test
- Second test
- Third test
- Final test
**Discipline Specific Knowledge and Skills**

Our graduates will take with them the intellectual development, depth and breadth of knowledge, scholarly understanding, and specific subject content in their chosen fields to make them competent and confident in their subject or profession. They will be able to demonstrate, where relevant, professional technical competence and meet professional standards. They will be able to articulate the structure of knowledge of their discipline, be able to adapt discipline-specific knowledge to novel situations, and be able to contribute from their discipline to inter-disciplinary solutions to problems.

This graduate capability is supported by:

**Learning outcomes**

- To hear, speak, read and write modern Greek language in a variety of registers.
- To read, listen to, comprehend and discuss a variety of Greek texts.
- To understand and gain proficiency in the mechanics of writing Greek.

**Assessment tasks**

- First test
- Second test
- Third test
- Final test

**Critical, Analytical and Integrative Thinking**

We want our graduates to be capable of reasoning, questioning and analysing, and to integrate and synthesise learning and knowledge from a range of sources and environments; to be able to critique constraints, assumptions and limitations; to be able to think independently and systemically in relation to scholarly activity, in the workplace, and in the world. We want them to have a level of scientific and information technology literacy.

This graduate capability is supported by:

**Learning outcomes**

- To hear, speak, read and write modern Greek language in a variety of registers.
- To read, listen to, comprehend and discuss a variety of Greek texts.
- To revise grammatical structures previously studied and learn new structures essential to oral and written fluency and accuracy.
- To understand and gain proficiency in the mechanics of writing Greek.
- To gain an appreciation of the Greek culture through textual (including literature) and aural material introduced in the class resources and discussed in class as well as online.
Assessment tasks

• First test
• Second test
• Third test
• Final test

Problem Solving and Research Capability

Our graduates should be capable of researching; of analysing, and interpreting and assessing data and information in various forms; of drawing connections across fields of knowledge; and they should be able to relate their knowledge to complex situations at work or in the world, in order to diagnose and solve problems. We want them to have the confidence to take the initiative in doing so, within an awareness of their own limitations.

This graduate capability is supported by:

Learning outcome

• To read, listen to, comprehend and discuss a variety of Greek texts.

Assessment tasks

• First test
• Final test

Effective Communication

We want to develop in our students the ability to communicate and convey their views in forms effective with different audiences. We want our graduates to take with them the capability to read, listen, question, gather and evaluate information resources in a variety of formats, assess, write clearly, speak effectively, and to use visual communication and communication technologies as appropriate.

This graduate capability is supported by:

Learning outcomes

• To hear, speak, read and write modern Greek language in a variety of registers.
• To read, listen to, comprehend and discuss a variety of Greek texts.
• To attain a good level of spoken and written Greek through practice in class and completion of exercises and assignments.
• To revise grammatical structures previously studied and learn new structures essential to oral and written fluency and accuracy.
• To understand and gain proficiency in the mechanics of writing Greek.
• To gain an appreciation of the Greek culture through textual (including literature) and aural material introduced in the class resources and discussed in class as well as online.
Assessment tasks

- First test
- Second test
- Third test
- Final test

Engaged and Ethical Local and Global citizens
As local citizens our graduates will be aware of indigenous perspectives and of the nation's historical context. They will be engaged with the challenges of contemporary society and with knowledge and ideas. We want our graduates to have respect for diversity, to be open-minded, sensitive to others and inclusive, and to be open to other cultures and perspectives: they should have a level of cultural literacy. Our graduates should be aware of disadvantage and social justice, and be willing to participate to help create a wiser and better society.

This graduate capability is supported by:

Learning outcome

- To gain an appreciation of the Greek culture through textual (including literature) and aural material introduced in the class resources and discussed in class as well as online.

Assessment tasks

- Second test
- Third test
- Final test

Socially and Environmentally Active and Responsible
We want our graduates to be aware of and have respect for self and others; to be able to work with others as a leader and a team player; to have a sense of connectedness with others and country; and to have a sense of mutual obligation. Our graduates should be informed and active participants in moving society towards sustainability.

This graduate capability is supported by:

Learning outcomes

- To hear, speak, read and write modern Greek language in a variety of registers.
- To attain a good level of spoken and written Greek through practice in class and completion of exercises and assignments.

Assessment tasks

- First test
- Second test
• Third test
• Final test

Common European Framework of Reference (CEFR)

The unit aims at fostering language skills to level B1, described as follows in the Common European Framework of Reference (CEFR): Can understand the main points of clear standard input on familiar matters regularly encountered in work, school, leisure, etc. Can deal with most situations likely to arise whilst travelling in an area where the language is spoken. Can produce simple connected text on topics which are familiar or of personal interest. Can describe experiences and events, dreams, hopes and ambitions and briefly give reasons and explanations for opinions and plans.

Late Assignment Policy

Assignments are compulsory and must be submitted on time. As a general rule, extensions will not be granted without a valid and documented reason (e.g. medical certificate). Late submissions will be penalised by 5% for each day (including weekends) the assignment task is late. No assignments will be accepted after assignments have been corrected and feedback has been provided. Assignment tasks handed in early will not be marked and returned before the due date.
