4. Participate in teamwork through the preparation and delivery of a professional presentation.
5. Understand problem-solving and decision making in organisational settings.
6. Apply creative thinking analysis skills.
7. Report writing

General Assessment Information

Unit requirements and expectations

Of the five assessment tasks described above, four are assessable and one, 'Contribution to Forums', that does not attract an actual course mark. Nevertheless it is a **compulsory** task. As an online course, it is vital that you regularly contribute via the course forum. Your tutor will monitor your forum contribution and we are sure you will enjoy this collegial experience.

Please note that you do not need to pass each individual assessment task to pass the course, you just need 50% of the total available marks.

Assessment Summary

Some of your assessment tasks will be released on specific dates. Your tutor will give you ample advice when tasks become available and are due.

Assessment Tasks

Name	Weighting	Hurdle	Due
<u>Midterm M/C Test (chapters 1-6)</u>	15%	No	11pm (EST), Sunday Week 6
<u>Group Case Study</u>	10%	No	5pm (EST) Sunday Week 9
<u>Research report</u>	30%	No	5pm (EST) Friday Week 12
<u>Final M/C Test</u>	45%	No	11pm (EST) Sunday Week 13
<u>Contribution to Forums</u>	0%	No	Continuous

Midterm M/C Test (chapters 1-6)

Due: **11pm (EST), Sunday Week 6**

Weighting: **15%**

There will be 15 multiple choice questions from each of chapters 1 to 6 from the prescribed text, i.e., **Organisational Behaviour. Emerging Knowledge. Global Insights 5e. Asia-Pacific**

edition. 2016. McGraw-Hill Education. That is a total of 90 on-line questions to be completed in 1 hour.

On successful completion you will be able to:

- 1. Understand concepts and theories of organisational behaviour.
- 5. Understand problem-solving and decision making in organisational settings.

Group Case Study

Due: **5pm (EST) Sunday Week 9**

Weighting: **10%**

Teamwork is becoming increasingly important in contemporary organisations. The case study assessment task is designed to give you experience working in a team to complete a project, in this case a collaborative presentation. We want our graduates to be aware of and have respect for self and others; to be able to work with others as a leader and a team player; to have a sense of connectedness with others and country; and to have a sense of mutual obligation.

On successful completion you will be able to:

- 3. Apply research methods to organisational behaviour outcomes.
- 4. Participate in teamwork through the preparation and delivery of a professional presentation.
- 5. Understand problem-solving and decision making in organisational settings.
- 6. Apply creative thinking analysis skills.

Research report

Due: **5pm (EST) Friday Week 12**

Weighting: **30%**

The major report entails gathering data by conducting interviews and writing a scientific report. We will teach you how to write a scientific report.

On successful completion you will be able to:

- 2. Understanding research methods.
- 1. Understand concepts and theories of organisational behaviour.
- 3. Apply research methods to organisational behaviour outcomes.
- 6. Apply creative thinking analysis skills.
- 7. Report writing

Final M/C Test

Due: **11pm (EST) Sunday Week 13**

Weighting: **45%**

The final exam consists of 150 multiple choice on-line questions taken from the prescribed text, i.e., **Organisational Behaviour. Emerging Knowledge. Global Insights 5e. Asia-Pacific edition. 2016. McGraw-Hill Education.** There will be approximately 18 to 19 questions from each of the indicated chapters and the exam is to be completed in 2 hours.

On successful completion you will be able to:

- 1. Understand concepts and theories of organisational behaviour.
- 5. Understand problem-solving and decision making in organisational settings.

Contribution to Forums

Due: **Continuous**

Weighting: **0%**

Although this assessment task is not directly graded it is nevertheless an important part of this on-line course. To pass PSY130 you need to contribute to the Forums and to make 4 or more contributions to pass the course.

On successful completion you will be able to:

- 4. Participate in teamwork through the preparation and delivery of a professional presentation.
- 5. Understand problem-solving and decision making in organisational settings.
- 6. Apply creative thinking analysis skills.
- 7. Report writing

Policies and Procedures

Late Submission - applies unless otherwise stated elsewhere in the unit guide

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – two (2) marks out of 100 will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted more than seven (7) days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests.

Extension Request

Special Consideration Policy and Procedure (<https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policies/special-consideration>)

The University recognises that students may experience events or conditions that adversely affect their academic performance. If you experience serious and unavoidable difficulties at exam time or when assessment tasks are due, you can consider applying for Special Consideration.

You need to show that the circumstances:

1. were serious, unexpected and unavoidable
2. were beyond your control
3. caused substantial disruption to your academic work
4. substantially interfered with your otherwise satisfactory fulfilment of the unit requirements
5. lasted at least three consecutive days or a total of 5 days within the teaching period and prevented completion of an assessment task scheduled for a specific date.

If you feel that your studies have been impacted submit an application as follows:

1. Visit [Ask MQ](#) and use your OneID to log in
2. Fill in your relevant details
3. Attach supporting documents by clicking 'Add a reply', click 'Browse' and navigating to the files you want to attach, then click 'Submit Form' to send your notification and supporting documents
4. Please keep copies of your original documents, as they may be requested in the future as part of the assessment process

Outcome

Once your submission is assessed, an appropriate outcome will be organised.

OUA Specific Policies and Procedures

Withdrawal from a unit after the census date

You can withdraw from your subjects prior to [the census date](#) (last day to withdraw). If you successfully withdraw before the census date, you won't need to apply for Special Circumstances. If you find yourself unable to withdraw from your subjects before the census date - you might be able to [apply for Special Circumstances](#). If you're eligible, we can refund your fees and overturn your fail grade.

If you're studying Single Subjects using FEE-HELP or paying up front, you can [apply online](#).

If you're studying a degree using HECS-HELP, you'll need to [apply directly to Macquarie University](#).

Graduate Capabilities

Creative and Innovative

Our graduates will also be capable of creative thinking and of creating knowledge. They will be imaginative and open to experience and capable of innovation at work and in the community. We

want them to be engaged in applying their critical, creative thinking.

This graduate capability is supported by:

Learning outcomes

- 4. Participate in teamwork through the preparation and delivery of a professional presentation.
- 5. Understand problem-solving and decision making in organisational settings.

Assessment tasks

- Group Case Study
- Research report

Capable of Professional and Personal Judgement and Initiative

We want our graduates to have emotional intelligence and sound interpersonal skills and to demonstrate discernment and common sense in their professional and personal judgement. They will exercise initiative as needed. They will be capable of risk assessment, and be able to handle ambiguity and complexity, enabling them to be adaptable in diverse and changing environments.

This graduate capability is supported by:

Learning outcomes

- 4. Participate in teamwork through the preparation and delivery of a professional presentation.
- 5. Understand problem-solving and decision making in organisational settings.
- 6. Apply creative thinking analysis skills.

- Contribution to Forums

Commitment to Continuous Learning

Our graduates will have enquiring minds and a literate curiosity which will lead them to pursue knowledge for its own sake. They will continue to pursue learning in their careers and as they participate in the world. They will be capable of reflecting on their experiences and relationships with others and the environment, learning from them, and growing - personally, professionally and socially.

This graduate capability is supported by:

Assessment tasks

- Group Case Study
- Contribution to Forums

Discipline Specific Knowledge and Skills

Our graduates will take with them the intellectual development, depth and breadth of knowledge, scholarly understanding, and specific subject content in their chosen fields to make them competent and confident in their subject or profession. They will be able to demonstrate, where relevant, professional technical competence and meet professional standards. They will be able to articulate the structure of knowledge of their discipline, be able to adapt discipline-specific knowledge to novel situations, and be able to contribute from their discipline to inter-disciplinary solutions to problems.

This graduate capability is supported by:

Learning outcomes

- 2. Understanding research methods.
- 1. Understand concepts and theories of organisational behaviour.
- 3. Apply research methods to organisational behaviour outcomes.
- 5. Understand problem-solving and decision making in organisational settings.
- 7. Report writing

Engaged and Ethical Local and Global citizens

As local citizens our graduates will be aware of indigenous perspectives and of the nation's historical context. They will be engaged with the challenges of contemporary society and with knowledge and ideas. We want our graduates to have respect for diversity, to be open-minded, sensitive to others and inclusive, and to be open to other cultures and perspectives: they should have a level of cultural literacy. Our graduates should be aware of disadvantage and social justice, and be willing to participate to help create a wiser and better society.

This graduate capability is supported by:
