Unit description

This unit requires students to analyse and apply strategic management accounting techniques in a variety of business contexts. Students will examine organisational performance measures and apply them to evaluate an organisation and its compliance with strategic goals.

Knowledge, skills and professional judgement will be required in applying performance measures and making recommendations.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

Use and apply strategic planning models to monitor organisational performance.

Identify and evaluate relevant economic and market factors that influence organisational performance.

Evaluate effective performance management and monitoring systems including strategic performance measurement techniques.

Advise clients and management on an organisations strategic performance.

Identify current developments and emerging issues in management accounting and performance measurement.

Assessment Tasks

13 (8 th November 2018)	Revision and Exam Practice

Policies and Procedures

Macquarie University policies and procedures are accessible from [Policy Central](https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central) (<https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central>). Students should be aware of the following policies in particular with regard to Learning and Teaching:

- [Academic Appeals Policy](#)
- [Academic Integrity Policy](#)
- [Academic Progression Policy](#)
- [Assessment Policy](#)
- [Fitness to Practice Procedure](#)
- [Grade Appeal Policy](#)
- [Complaint Management Procedure for Students and Members of the Public](#)
- [Special Consideration Policy](#) (**Note:** *The Special Consideration Policy is effective from 4 December 2017 and replaces the Disruption to Studies Policy.*)

Undergraduate students seeking more policy resources can visit the [Student Policy Gateway](https://students.mq.edu.au/support/study/student-policy-gateway) (<https://students.mq.edu.au/support/study/student-policy-gateway>). It is your one-stop-shop for the key policies you need to know about throughout your undergraduate student journey.

If you would like to see all the policies relevant to Learning and Teaching visit [Policy Central](https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central) (<https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policy-central>).

Student Code of Conduct

Macquarie University students have a responsibility to be familiar with the Student Code of Conduct: <https://students.mq.edu.au/study/getting-started/student-conduct>

Results

Results shown in *iLearn*, or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in [eStudent](#). For more information visit ask.mq.edu.au.

Student Support

Macquarie University provides a range of support services for students. For details, visit <http://stu>

dents.mq.edu.au/support/

Learning Skills

Learning Skills (mq.edu.au/learningskills) provides academic writing resources and study strategies to improve your marks and take control of your study.

- [Workshops](#)
- [StudyWise](#)
- [Academic Integrity Module for Students](#)
- [Ask a Learning Adviser](#)

Student Services and Support

Students with a disability are encouraged to contact the [Disability Service](#) who can provide appropriate help with any issues that arise during their studies.

Student Enquiries

For all student enquiries, visit Student Connect at ask.mq.edu.au

IT Help

For help with University computer systems and technology, visit http://www.mq.edu.au/about_us/offices_and_units/information_technology/help/.

When using the University's IT, you must adhere to the [Acceptable Use of IT Resources Policy](#). The policy applies to all who connect to the MQ network including students.

Graduate Capabilities

PG - Discipline Knowledge and Skills

Our postgraduates will be able to demonstrate a significantly enhanced depth and breadth of knowledge, scholarly understanding, and specific subject content knowledge in their chosen fields.

This graduate capability is supported by:

Learning outcomes

- Use and apply strategic planning models to monitor organisational performance.
- Identify and evaluate relevant economic and market factors that influence organisational performance.
- Evaluate effective performance management and monitoring systems including strategic performance measurement techniques.
- Advise clients and management on an organisations strategic performance.
- Identify current developments and emerging issues in management accounting and performance measurement.

Assessment tasks

- Assignments
- Final Exam

PG - Critical, Analytical and Integrative Thinking

Our postgraduates will be capable of utilising and reflecting on prior knowledge and experience, of applying higher level critical thinking skills, and of integrating and synthesising learning and knowledge from a range of sources and environments. A characteristic of this form of thinking is the generation of new, professionally oriented knowledge through personal or group-based critique of practice and theory.

This graduate capability is supported by:

Learning outcomes

- Use and apply strategic planning models to monitor organisational performance.
- Identify and evaluate relevant economic and market factors that influence organisational performance.
- Evaluate effective performance management and monitoring systems including strategic performance measurement techniques.
- Advise clients and management on an organisations strategic performance.
- Identify current developments and emerging issues in management accounting and performance measurement.

Assessment tasks

- Assignments
- Final Exam

PG - Effective Communication

Our postgraduates will be able to communicate effectively and convey their views to different social, cultural, and professional audiences. They will be able to use a variety of technologically supported media to communicate with empathy using a range of written, spoken or visual formats.

This graduate capability is supported by:

Learning outcomes

- Use and apply strategic planning models to monitor organisational performance.
- Identify and evaluate relevant economic and market factors that influence organisational performance.
- Evaluate effective performance management and monitoring systems including strategic

performance measurement techniques.

- Advise clients and management on an organisations strategic performance.
- Identify current developments and emerging issues in management accounting and performance measurement.

Assessment tasks

- Assignments
- Final Exam
