TECHNOLOGY USED AND REQUIRED

Online Unit

Login is via: <https://ilearn.mq.edu.au/>

Is my unit in iLearn?: <http://help.ilearn.mq.edu.au/unitsonline/> to check when your online unit will become available.

Technology

Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.

For students attending classes on campus we strongly encourage that you bring along your own laptop computer, ready to work with activities in your online unit. The preferred operating system is Windows 10.

Students are required to access the online unit in iLearn by the end of Week 1 and follow any relevant instructions and links for downloads that may be required. If applicable, students are required to download the relevant language package prior to Week 2.

Please contact your course convenor **before** the end of **Week 1** if you do not have a suitable laptop (or tablet) for in-class use.

Common European Framework of Reference (CEFR)

The unit aims at fostering language skills to level C1, described as follows in the Common European Framework of Reference (CEFR): As a proficient user you can understand a wide range of demanding, longer texts and recognise implicit meaning; express yourself fluently and spontaneously without much obvious searching for expressions; can use language flexibly and effectively for social, academic and professional purposes; produce clear, well-structured, detailed text on complex subjects, showing controlled use of organisational patterns, connectors and cohesive devices. Students performing with outstanding performance will attain language skills as described for Level C2 of the Common European Framework: Can understand with ease virtually everything heard or read. Can summarise information from different spoken and written sources, reconstructing arguments and accounts in a coherent presentation. Can express him/herself spontaneously, very fluently and precisely, differentiating finer shades of meaning even in more complex situations.
