Additional Information

Unit requirements and expectations

Students are required to attend all language classes and are expected to participate actively in all classes. The language of instruction will be Italian and students are expected to interact in the target language. The participation mark will reflect students' commitment to practice the language and their commitment to completing the non-graded assignments (compiti senza voto) in self-study mode.

Language-learning is cumulative, and it is in students' best interest to regularly complete homework tasks. A strong emphasis at fourth year level is on reading comprehension. To allow time for communicative activities in class, students are required to prepare set readings before each class as indicated in the course programme. Students commitment to prepare the 'compiti senza voto' is reflected in the participation mark.

Written assignments are to be typed and double-spaced. This is necessary for marking purposes. Hand-written assignments will only be accepted by previous arrangement with the lecturer. Written assignments are to be submitted on the Wednesday of the week in which they are due.

Class work will encompass the study of one contemporary film which is available for independent student viewing in the library and in the departmental resource room. Students will need to view the entire film outside of class time, as indicated in the study programme. This is necessary to participate in class discussion and in order to complete one of the written assignments.

Attendance at all classes is compulsory for on-campus students. This applies particularly to tests. You will only be permitted to make up for a missed test in exceptional circumstances such as illness (Medical certificate required). An adequate explanation for any classes missed must be given to your tutor. A poor attendance record may result in exclusion from the final examination. Ongoing work commitments are no valid reason for missing classes. If you miss a class it is your responsibility to contact a classmate for the details of the class in order to catch up on work missed and prepare for the next lesson.

Assignments are compulsory and must be handed in at the time specified. Please see information on late assessment penalties under General Assessment Information above.

Preparation: Students are expected to prepare the course work to be covered in class in advance, as set out in programs or announced in class.

Punctuality: Please arrive on time for classes. Arriving late is very disruptive. All classes start five minutes past the hour. If you should arrive late, it is your responsibility to find out what you have missed.

Common European Framework of Reference (CEFR)

The unit aims at fostering language skills to level B2, described as follows in the Common European Framework of Reference (CEFR): As a proficient user you can understand a wide range of demanding, longer texts and recognise implicit meaning; express yourself fluently and spontaneously without much obvious searching for expressions; can use language flexibly and effectively for social, academic and professional purposes; produce clear, well-structured, detailed text on complex subjects, showing controlled use of organisational patterns, connectors and cohesive devices.
