Unit description

This unit simulates actual conference situations where students are able to familiarise themselves with all the procedures of different conference genres, and practice conference interpreting in both consecutive and simultaneous modes in front of live audiences. This unit not only gives students the opportunity to learn how to prepare for and execute conference interpretations, but also provides them with opportunities to develop skills in relay interpreting in multiple languages during conference proceedings.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are

available at <https://www.mq.edu.au/study/calendar-of-dates>
