Assessed Coursework

Due: **Throughout**

Weighting: **15%**

Task Description:

Homework exercises form a critical part in the study process, as they serve to reinforce concepts that are covered in class or online. Students have often failed a unit as they do not follow a disciplined approach over the session. To this end, students will be required to attend seminars with their weekly homework. The teaching staff will check that these are satisfactorily attempted.

The teaching staff will assess weekly homework on six (6) occasions without prior notice. Marks are awarded for the original effort, completeness and evidence that corrections are made as appropriate.

The homework component will be worth 12%, with each submission counting for 1%. The remaining 3% will be based on the quality and frequency of the student's seminar participation.

Students should be prepared to engage constructively in open discussions on relevant topical issues.

Type of Collaboration: Individual **Submission:** Please refer to iLearn **Format:** Please refer to iLearn **Length:** Please refer to iLearn **Inherent Task Requirements:** Please refer to iLearn **Late Submission:** No extensions will be granted. Students who have not submitted the task prior to the deadline will be awarded a mark of 0 for the task, except for cases in which an application for special consideration is made and approved.
