Unit description

This unit provides MPH students with an opportunity to gain experience in the Public Health workplace. Students undertaking placements will have the opportunity to contribute to real world initiatives in areas as diverse as policy, research, health promotion, and advocacy. Tasks may involve ethics submissions, program development, program evaluation, literature reviews and stake holder engagement. Students will have the opportunity to discuss and plan their placements with MQ staff and workplace supervisors. Placement will consist of approximately 10 weeks of full time work. Entry to this unit is by application. Students intending to enrol in the unit should consult with the Unit Convenor by 15 March (for S2).

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

Demonstrate the ability to work effectively in the partner organisation.

Define a work plan appropriate for the placement and demonstrate an understanding of the processes required for completion.

Demonstrate progress against a work plan including appropriate problem solving as

required.

Communicate effectively with public health professionals.

Demonstrate the ability to reflect critically on the relationship between theory and professional practice.

General Assessment Information

Information concerning Macquarie University's assessment policy is available at <https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policies/assessment>. Grade descriptors and other information concerning grading requirements are contained in Schedule 1 of the Macquarie University Assessment Policy.

To pass this unit, students must demonstrate sufficient evidence of achievement of the learning outcomes and attempt all assessment tasks.

Further details for each assessment task will be available on iLearn, including marking rubrics.

All final grades in the department of Health Systems and Populations are determined by a grading committee and are not the sole responsibility of the Unit Convenor.

Students will be awarded one of these grades plus a Standardised Numerical Grade (SNG). The SNG is not necessarily a summation of the individual assessment components. The final grade and SNG that are awarded reflect the corresponding grade descriptor in Schedule 1 of the Assessment Policy.

Extensions for Assessment tasks

Applications for assessment task extensions must be submitted via www.ask.mq.edu.au. For further details please refer to the Disruption to Studies Policy available at <https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policies/disruption-to-studies>.

Late Submission of Work

All assignments which are officially received after the due date, and where no extension has been granted by the course convenor or tutor, will incur a deduction of 5% for the first day including the actual day on which the work is received, and 5% for each subsequent day. Weekends and public holidays are included. Late penalty is capped at 50%. For example:

Due date	Received	Days late	Deduction	Raw mark	Final mark
Friday 14th	Saturday 15th	1	5%	75%	70%
Friday 14th	Monday 17th	3	15%	75%	60%

Friday 14th	Tuesday 25th	11	50% (capped)	75%	25%
-------------	--------------	----	--------------	-----	-----

Assessment Tasks

<u>Work Plan</u>	20%	No	Week 4
<u>Reflective portfolio</u>	10%	No	Week 12
<u>Placement report</u>	50%	No	Week 13
<u>Supervisor Report</u>	20%	No	Week 13

Work Plan

Due: **Week 4**

Weighting: **20%**

A work plan will be developed by the workplace supervisor, MPH supervisor and student at the beginning of the placement, this may evolve over the duration of the placement.

On successful completion you will be able to:

- Demonstrate the ability to work effectively in the partner organisation.
- Define a work plan appropriate for the placement and demonstrate an understanding of the processes required for completion.
- Demonstrate progress against a work plan including appropriate problem solving as required.
- Communicate effectively with public health professionals.

Reflective portfolio

Due: **Week 12**

Weighting: **10%**

The portfolio is to be utilised by the student as an ongoing diary of experiences and reflections regarding the impact of the placement in the student's development as a public health practitioner.

On successful completion you will be able to:

- Demonstrate the ability to work effectively in the partner organisation.
- Demonstrate progress against a work plan including appropriate problem solving as required.

- Demonstrate the ability to reflect critically on the relationship between theory and professional practice.

Placement report

Due: **Week 13**

Weighting: **50%**

The work plan will provide the framework for the placement report to be written by the student at the completion of the placement.

On successful completion you will be able to:

- Demonstrate the ability to work effectively in the partner organisation.
- Define a work plan appropriate for the placement and demonstrate an understanding of the processes required for completion.
- Demonstrate progress against a work plan including appropriate problem solving as required.
- Communicate effectively with public health professionals.
- Demonstrate the ability to reflect critically on the relationship between theory and professional practice.

Supervisor Report

Due: **Week 13**

Weighting: **20%**

At the completion of the placement supervisors will provide a formal assessment of the student's performance against the agreed to workplan and learning objectives.

On successful completion you will be able to:

- Demonstrate the ability to work effectively in the partner organisation.
- Demonstrate progress against a work plan including appropriate problem solving as required.
- Communicate effectively with public health professionals.

Delivery and Resources

Unit Organisation

This is a four credit point unit run over a 13 week session. There are lectures, tutorials and full day workshops. Further information is available via the HSY816 online Learning Management System (LMS) iLearn <http://ilearn.mq.edu.au>

Attendance

All lectures and tutorials are scheduled in your individual timetable. Attendance is expected at both lectures and tutorials, as this is where the majority of learning occurs, in most cases lectures are recorded. Failure to attend may impact your final results. It is the responsibility of the student to contact their tutor by email to inform tutors if they are going to be absent. The timetable for classes can be found on the University web site at: <http://www.timetables.mq.edu.au/>.

Readings

The readings for each week will be listed in iLearn using the Leganto system. Leganto is a new reading list management system, which you can access through your iLearn unit. For further information to understand and navigate your unit reading lists in Leganto, check this guide: <http://libguides.mq.edu.au/leganto>

Readings marked as 'required' are those that are essential to be completed for that week. Some readings may be included within a weeks readings that are marked as 'recommended' or 'secondary sources'. These are there for your recommended reading or for where we have sourced additional material that may be of interest to you. Please use these at your discretion.

Technology and equipment

On-campus

Teaching rooms are equipped with state of art audio-visual and ICT equipment including iPads, internet connection, high quality video cameras and multiple LCD screens.

Off-campus

To study optimally when off campus you will need to have access to a reliable internet connection to retrieve unit information & at times to submit assessment tasks via iLearn.
